

10 Reasons to Choose Guardforce

All of our guards are licensed and to appropriate standards set by the Security Industry Authority (SIA), while our rigorous in-house training regime goes over and above

Our 24-hour control centre plans, managing and support all our operations.

All our clients are offered a dedicated Key Accounts Manager who is committed to delivery high customer service

We boast three decades of experience, having been trading since 1993.

We monitor our patrols using state-of-the-art equipment to ensure that our patrols are carried out in accordance to our clients' requirements

Our Quality Management System are focused on delivering customer satisfaction and a cost-effective service, in accordance to ISO 9001

We value the importance of staff welfare. All of our staff are treated equally and fairly in accordance with our equal opportunities policy.

We work with all our clients as "partners" instead of suppliers.

Every set of 'Assessment Instructions' that we agree with clients is written and supplied to every site.

We are in constant dialogue with our counterparts in the UAE, exchanging knowledge and lessons that can be learned

A name you can trust in an uncertain world
